

SURVEILLANCE STARTER PACK

Need surveillance? DCR's Surveillance Starter Pack is just what you need. This low-cost, easy to use system comes with everything you need to get started. The pack includes an all-in-one DVR, 2 IP dome cameras, POE switch, text overlay and full LOC SMS integration combined with DCR's extraordinary support and training.

All-in-one DVR - This slim, fanless DVR takes up a very small amount of space yet provides hours of **high quality** video.

2 IP Dome Cameras - Get **crisp and clear video** with 2 mega pixel resolution dome cameras.

Text Overlay - Text overlay shows you exactly what is happening in the transaction in real-time. **See voids, refunds, no sales, UPCs, prices, totals and more!**

Integrates with LOC SMS - This starter pack **integrates fully with LOC SMS software** and pulls transaction data directly from the electronic journal. You can even search and view video directly from your EJ!

Monitor your Cashiers - Reduce **sweethearting and internal theft** by knowing exactly what is happening at the lane and on the transaction.

Save Big - Possibly **save thousands** by reducing internal theft and errors at the POS!
