XP Pro SP3 Notification Acknowledgement

I acknowledge that DCR has informed me of the upcoming XP Professional Service Pack 3 end of life. If I am using Windows XP Pro SP3, I understand it is my choice to upgrade, purchase a new computer or continue using my current computer. I also understand that by using a computer running Windows XP Pro SP3 my system will be outside the scope of PCI compliance. If I continue to use this computer, I waive DCR of any liability that this choice may expose.
